October 1 - November 10

Register & display your 'crow by Oct 1 to Win!

* Traditional \$100 * Artistic \$100 * Child (5-15yr) \$50
new category! * Catsclaw Creation \$100

Whether it's traditional or it's wacky, we love scarecrows that we haven't even imagined yet! Making a scarecrow is a fun activity perfect for family time together and it doesn't need to cost a lot ... broomsticks for the frame, grab some stockings and use old hay or rags for stuffing & dress them up in your old glad rags! Get creative and up-cycle things around the house into critters from outer space.....

2018 MARY VALLEY SCARECROW FESTIVAL

With Spring comes the energy of new life and the Mary Valley strips away Winter with a blast of creativity known as the Mary Valley Scarecrow Festival. Scarecrow spotting is the name of the game as visitors travel country roads looking for straw creatures, arty sculptures and other creations honouring the tradition of building scarecrows. From Conondale and Kenilworth through the hinterland villages North to Dagun, you can track with Google maps on www.maryvalleyartslink.com.au or follow on facebook.

It's a great excuse to pack a picnic and tour through Mary Valley Country!
