FESTIVAL

Traditional \$100 | Artistic \$100 | Child (up to 15yrs) \$50

Whether it's traditional or it's wacky. We simply love scarecrows!

Making a scarecrow is a fun activity perfect for family time together and it doesn't need to cost a lot ... Broomsticks for the frame, old stockings and old hay or rags for stuffing, then dress them up in your tired glad rags!

Get creative and up-cycle things around the house!
